Dear Mr. Lombardo:

The following additional information is required for this filing.

Notice regarding proper responses:

- A minimum-acceptable response to quantitative questions from us must include a spreadsheet calculation with retained formulas such that we can replicate the calculations therein.
- Explanatory responses are merely a supplement to the spreadsheet material and in of themselves will constitute a lack of response.

Questions:

1. Please provide the RATEE report from CMS.

To ensure that the review of your filing is completed before statutory deadlines, we expect you to respond as expeditiously as possible, but no later than May 17, 2020.

We trust that you understand these forms may not be used in Vermont until they are formally approved by the GMCB.

Sincerely,
